**Procurement of Gypsum as a byproduct of Flue Gas De-Sulphurisation (FGD)  
Plant from Sagardighi Thermal Power Station of WBPDC.**

The West Bengal Power Development Corporation Ltd. (WBPDC), an Enterprise of Government of West Bengal, has a mission to produce quality electricity in compliance with regulatory norms and introduce eco-friendly systems in its expansion programme. WBPDC has chosen Sagardighi Thermal Power Project (SgTPP) as the first Power Station among the WBPDC Plants for installation of the FGD System.

Sagardighi Thermal Power Project site is located at Manigram village, 13 KM north of Sagardighi town by the side of the SMGR (Sagardighi-Manigram-Gankar-Raghunathganj) Road at a distance 20 KM from National Highway 34 in Murshidabad District, West Bengal and around 240 KM from Kolkata, India. The nearest rail station is Manigram adjacent to the site on Bandel - Barhawara branch line and 6.5 KM from Sagardighi Railway Station on Sainthia - Azimgunj line of Eastern Railway.

SgTPP is going to produce 50,000 MT per annum of Gypsum as a byproduct from its FGD plant tentatively from June, 2022. Quality of Gypsum shall be with following characteristics

- a) Purity 85-90%
- b) Moisture-10%
- c) Chloride- 150 ppm (max.)

**WBPDC invites interested parties to show “Expression of Interest (EOI)” for procuring the material with details as provided in Annexure-I.**
