## Information to interested fly ash traders

1. Preference will be given to agencies who will off take maximum quantity of ash, at higher price.
2. STPS would deliver fly ash from the discharge chute of designated ash silo chute of the plant as per rules of WBPDCI .
3. Interested Buyers shall have to aware the prevailing practice as applicable for dry fly ash evacuation in STPS.
4. All the costs for transportation and utilization, necessary regulatory permissions, Taxes, duties etc as applicable will be in the scope of the agency.
5. Fly ash shall be issued based on actual weighment of the trip based on computerized in and out weighment slip. In the event of outage /non-availability of weighbridge , net average weight of loading of each browser/bulker/closed container shall be used considering last 3-5 trip of the same vehicle as available and in case of non-availability of the same ,vehicle capacity as shown in the registration document shall be considered . Weight of delivered fly ash so obtained and duly certified by the controlling officer or his authorised representative, shall be considered final. In case of Railway rake R/R weight of the Santaldih Railway Station will be considered for weighment.
6. Buyers will have to engage Bulklers/ Browsers/ air tight Closed Container & Railway rakes for transportation of FLY Ash ensuring leak-proof, dust free, pollution free handling of Ash in environment friendly manner for utilization / consumption as per their requirement at their risk and cost. **In case of transportation through RAILWAY rake , all railway related matters will be settled by the ash taking party . STPS authority can provide the railway siding inside the plant premises.**
7. Terms & Conditions contained in MoEF/GOI Notifications existing and published from time to time followed by its various amendments, shall have to be complied with.
8. All rules, regulations and Law of State as well as all statutory obligations applicable shall have to be adhere to.
9. Buyers shall at all times take all reasonable precautions to prevent any unlawful, notorious or disorderly conduct by or amongst the buyer's staff and labour and for the preservation of peace and protection of percentage and property in the neighborhood of the delivery site against the same. WBPDCI shall not be responsible for any untoward happenings cropped up out-side the boundary walls of plant premises of STPS arising out of the above business.
10. Buyers should depute your authorized representative to the Power Station for co-ordination and taking delivery of Fly Ash.
11. Any other relevant terms shall be as per decision made in accordance with the ASH POLICY of WBPDCI and/by the Controlling Officer.
12. While engaging workers for the job, buyers have to give preference on engaging of existing/ retrenched manpower of STPS/WBPDCI will not bear any financial or other liabilities of the workers so deployed.
13. Buyers have to ensure all statutory compliances like ESI, PF etc. for the workers to be deployed.
14. Buyers have to disburse wages to the said workers within 10<sup>th</sup> of subsequent months.

## **Terms & Conditions**

1. Sale contract period shall be One (01) year from date of issuance of LoA with a provision of extension of another one year on account of approval from competent authority towards successful completion of first one (01) year. Sale price will hike @ 5% per year.
2. The basic sale price shall remain firm for a period of one year.
3. Buyer shall be liable to pay all taxes as would be applicable on the date of dispatch of the material and The West Bengal Power Development Corporation Limited would not be liable for taxes in any manner, whatsoever. In case of any changes in the taxation laws by the Government, the taxes and duties prevailing on date of dispatch will be applicable. Taxes & Duties are payable extra as & when Applicable as per GST rules and Act & other relevant laws, as applicable.
4. Commencement of first off take of fly ash shall be reckoned within 15 days from the date of issue of Letter of sale intimation/ sales contract, whichever is earlier.

### **5. Penalty Clause**

In the event of off-take being less than allotted quantity in spite of availability, the STPS, WBPDC being the owner reserves the right to impose a penalty @15% of awarded price on differential quantity (that is difference in quantity from the minimum allowed quantity for that period), in case the off-take by the party is less than 50% of the allocated quantity on an average for two consecutive months during rainy season (July to September) and 70% for the balance period.

Penalty will be imposed at the year end, only in case of average off take in one year is less than 80% and if vendor does not fall under condition of termination.

6. Delivery shall be made against interest free advance payment in the form of DD/NEFT. The amount of advance shall be equivalent to value of one month's off-take quantity.
7. Security deposit (SD) amounting to 2.5% of the sale value of the annual quantity shall have to be submitted alongwith 1<sup>st</sup> month's advance sale value against the sale intimation letter . After deposition of the same , Letter of award for sale contract shall be issued to successful buyer.

### **8. Termination Clause :**

The STPS ,WBPDC being the owner will reserve the right to terminate the contract if –

- i. The actual lifting of dry fly ash quantity goes below 30% of awarded quantity for consecutive 3

(three) months on average basis, in spite of availability of dry fly ash.

Further SD will be forfeited in that case.

- ii. The agency fails to pay advance payment for consecutive two months.

SD will be forfeited in that case.

- iii. The owner reserves the right to terminate the contract with the buyer and encash the security

deposit in the event of non-compliance of any statutory requirement or pollution related guidelines and conditions laid down by any statutory body.
