SECTION-II

INSTRUCTIONS TO BIDDERS

1. Introduction :

This Invitation for Bids (IFB), issued by the Employer, The West Bengal Power Development Corporation Limited (WBPDC), is open to Domestic (Indian Legal Entities) Bidders meeting the eligibility and qualification criteria stipulated in the Bidding Documents. The Instructions to Bidders shall be read carefully and considered by the Bidders while preparing their Bids. All Bids are to be made and submitted in accordance with the Instructions to Bidders.

2. Bidding Documents :

The Scope of work, Bidding Procedures are described in the Bidding Documents. In addition to the covering Letter accompanying Bidding Documents, the Bidding documents include:

- (a) Invitation of Bids (NIT): **Section-I**
- (b) Instruction to Bidders (ITB): **Section-II**
- (c) General Terms and Conditions of Contract (GCC): **Section-III**
- (d) Special conditions of contract (SCC): **Section-IV**
- (e) Scope of Work & General Terms & conditions: **Section -V**
- (f) Attachments and Forms: **Section-VI**

The Bidder is expected to examine the Bidding Documents, including all Instructions, Forms, Terms and Specifications. Failure to furnish all information required in the Bidding documents or submission of a Bid not substantially responsive to the Bidding Documents in every respect will / may result in the rejection of the Bid.

3. Bidder to Inform Himself Fully:

- 3.1 The Bidder shall be deemed to have carefully examined the Bidding Documents, terms & conditions, specifications, schedules, drawings and other details relating to work given in the Bidding Documents and fully acquainted himself of all conditions and matters which may in any way affect the work or the cost thereof. Bidder is deemed to have known the scope, nature and magnitude of the work and the requirements of materials, etc.
- 3.2 The Bidder shall be deemed to have acquainted himself of Government taxes, duties, laws, statutes, regulations, levies and other charges relating to supplies to be made.
- 3.3 Any neglect or omission or failure on the part of the Bidder in obtaining necessary and reliable information as stated above or on any other matter affecting the Bidder, shall not relieve the Bidder from any risk or liability or the entire responsibility for completion of the supply in accordance with the Bidding Documents.

4. Scope of Works/ Service:

As described in clause no.15 of section-1 and identified explicitly in the Section-V of this document

5. Collection of Tender Documents:

Tenders are to be submitted online and interested bidders will have to download the tender documents from the website <https://wbtenders.gov.in> directly with the help of the e-Token provided. This is the only mode of collection of tender documents. Details of submission procedure are given below.

6. Earnest Money :

A) Value of EMD:

The EMD amount for this tender is **Rs.17000.00 (Rupees seventeen thousand only)**.

Bank Details:

Name of Account Holder: The West Bengal Power Development Corporation Ltd.

Bank Name: State Bank of India

Bank Branch and address: Tribeni branch 00225,

Account Number: 10266615214

Account Type: Current Account

IFSC: SBIN0000225

B) Mode of submission:

1. EMD shall be submitted ONLINE through this portal or in the form of Bank Guarantee (BG). It may be noted here that the bank processing may take some time, and bidders shall not be allowed to upload bid documents until and unless EMD amount is deposited through the portal. So, the bidders should submit EMD well ahead of the last date of submission of EMD.
2. The Bidder must submit the EMD (BG / Online) in his company name or authorized agency only (in case where valid authorized letter is uploaded as per NIT).
3. EMD payment in any other form will not be accepted.

C) Exemption of Earnest Money:

Exemption of EMD is not acceptable.

D) Procedure of submission of EMD in form of BG:

To submit BG as per enclosed format Attachment 2 of this NIT, scanned copy of the BG is to be uploaded in the portal. The original BG, if opted must be submitted at the office of DGM (M&C), Bandel Thermal Power Station, WBPDC, by hand or by post so as to reach within the specified date and time failing which the bid may be rejected.

Bank Guarantee (BG) shall be from

i) Any schedule bank incorporated in India. Bank guarantee issued by foreign branches/ foreign offices of such banks should be counter guaranteed by the Indian branch of that scheduled Bank incorporated in India.

Or

ii) Any branch of an International bank situated in India or registered with Reserve Bank of India as a scheduled foreign Bank

Or

iii) Any foreign bank which is not a scheduled bank in India provided the Bank guarantee issued by such bank is counter guaranteed by any scheduled bank incorporated in India.

Note: However, under no circumstances would any guarantee be accepted from any Regional Rural Bank or State Co-operative Bank or Urban Co-operative Bank.

Bank Guarantee will be in the name of **“The West Bengal Power Development Corporation Limited.”** The Bank Guarantees (BG), if submitted, should remain valid for six months period from the date of opening of the Tender with a claim period of further three months.

E) EMD of successful Bidder:

- 1) The EMD will be converted towards Performance Guarantee/Initial Security deposit in case of the Successful Bidder and the same will be released after successful completion of the contract against satisfactory performance of the job as certified by the controlling Officer.
- 2) No interest is payable on the “Earnest Money Deposit”.

F) Refund of EMD:

1. Once award of contract (AOC) is uploaded in the E-portal, EMD amount (deposited online) of the unsuccessful bidders, shall automatically be returned to the respective debited accounts of the participating bidders.
2. Once award of contract (AOC) is uploaded in the E-portal, EMD amount (deposited as BG), of the unsuccessful bidders, if any, shall be returned against specific written applications received from the respective unsuccessful bidders to the BTPS, WBPDC.
3. Same methodology shall be followed in case of rejected bids as mentioned in (1) & (2) above respectively.
4. In case of cancellation of the tender, same methodology shall be followed as mentioned in (1) and (2) above respectively.

G) Forfeiture Of EMD: The WBPDC reserves the right of forfeiture of Earnest Money deposit in the following cases: -

- a) For failure of Tenderers to accept the order / LOI/ LOA placed within the validity period of their offer/ fails to execute the contract
- b) Any bidder withdraws/varies his offer after closure of bid.
- c) If the bidder does not accept the arithmetical correction of its bid price.
- d) For failure to submit contract performance guarantee within stipulated date.

- e) If the acceptance of order is not received within the stipulated period.
- f) On providing false or incorrect information in respect of qualifying requirement or any other information.
- g) The bidder after opening of tender withdraws, amends, impairs, derogates or revokes his tender within the validity period or extension thereof.

7. Amendments to Bid Documents :

At any time prior to the deadline for submission of Bids, the Owner may, for any reason, modify the Bid Document by issue of addendum / addenda / clarification. The addendum / addenda / clarification will be published in and will be binding upon the bidder.

8. Submission of Tender:

General process of submission:-

- 8.1 Tenders are to be submitted online through the website <https://wbtenders.gov.in>. All the documents uploaded by the Tender Inviting Authority form an integral part of the bid. Bidders are required to upload all the tender documents along with the other documents, as asked for in the tender, through the above website within the stipulated date and time as given in the Tender.
- 8.2 Bidders must submit the Tenders in two covers i.e. **“Technical”, & “Finance”**. Bidders must download tender specific documents (NIT, BOQ etc.) from <https://wbtenders.gov.in>, prepare the required documents and upload the scanned documents in Portable Document Format (PDF) to the portal in the designated locations.
- 8.3 He needs to fill up the rates of items in the BOQ, downloaded for the supply, in the designated cell of the BOQ spreadsheet and upload the same in designated location of **“Finance”** cover.
- 8.4 The documents uploaded must be scanned against any virus and digitally signed using the Digital Signature Certificate (DSC). Bidders should specially take note of all the addendum/corrigendum related to the tender and upload the latest documents as part of the tender.

9. Technical Proposal (Statutory Documents):

(To be submitted in **Technical** Cover)

The following documents in standard formats shall be uploaded in **Technical** cover:

- i. Notice Inviting Tender (NIT) – The NIT as published shall to be downloaded. Same shall be digitally signed and uploaded.
- ii. PQR documents in support of bidder’s qualification as per detailed in Cl. No.3 of Section-I.
- iii. **Addenda/Corrigenda**: if published.

Note: (I) Bidders are requested to visit the website regularly to keep track for any amendment/addendum/corrigendum/extension, if any, till opening of this particular NIT. All such amendment/addendum/corrigendum/extension documents shall be downloaded. Bidder shall upload those documents

along with the original NIT in the NIT cover. Tenders submitted without the amendment/addendum/ corrigendum/extension documents may be rejected.

- (ii) Tenders will be summarily rejected if any of the above items in the statutory cover is missing.

10. Submission of EMD:

(To be uploaded in **Technical Cover**)

As detailed in Sl. No. 6 at this section.

11. Submission/Upload of Non-Statutory Documents:

Following documents are to be uploaded along with the Bid: -

- i. Scanned copy of Earnest money,
- ii. Past Experience Certificate- Work Execution/ Work Completion/Payment Certificate,
- iii. PAN Card
- iv. GST Registration Certificate
- v. GST Return (falling due for filing during previous month just before the date of publication) i.e., GSTR-3B filed.
- vi. IT Return
- vii. P Tax Payment Certificate valid upto date of publication of NIT.
- viii. P. Tax Registration Certificate/Enrollment document
- ix. Registration document for partnership firm
- x. Trade License Certificate of incorporation & certificate of commencement as applicable for limited & private limited companies.
- xi. Society Registration document for Co-operative Societies.
- xii. Audited Profit & Loss and Balance Sheet for last 03 (Three) consecutive financial years (i.e. FY: 2018-19, 2019-20 & 2020-21).
- xiii. Copies of relevant Service order (s) & other documentary evidences as proof of satisfactory completion of similar type of jobs, fulfilling the Technical Q.R as detailed in Sl No- 3 of Section-I.
- xiv. P.F. Registration Document, ESI Registration Document.

Note: The originals of above are required to be produced for verification, on demand.

The bid which is incomplete, ambiguous or non-submission of any of the above mentioned documents is liable to be summarily rejected.

12. Financial Proposal:

(To be submitted in "**Finance**" Cover)

The financial proposal shall contain the following document in one cover.

Bill of Quantities (BOQ):

The bidder shall quote the rate in the space /cell marked for quoting rate in the BOQ. (Only downloaded copies of the above documents are to be uploaded, virus scanned and digitally signed by the bidder.)

13. Submission of Original Documents and Earnest Money

i) Mode of Payment:

EMD must be submitted in the form of Bank Guarantee/ Online Mode from any scheduled Bank of India as mentioned above. Payment in any other form e.g. NSC, KVP etc. will not be accepted.

ii) Place of submission:

The original copies of the Bank Guarantee towards Earnest Money Deposit shall be submitted in a sealed envelope to the **Contacts Department** addressed to the Dy. General Manager (M&C), BTPS, P.O-Tribeni, Dist.- Hooghly.

iii) Time of submission:

The original copies of Bank Guarantee against EMD shall be submitted in a sealed envelope in the office as stated above within the date and time as specified in the schedule of dates provided. If the bidder fails to submit the original copies within the due time his tender will stand rejected.

14. Conditional and Incomplete Tender:

- i) Conditional and incomplete tenders are liable to be summarily rejected.
- ii) Bidder must quote for all items mentioned in BOQ. BOQ sheet with all cells filled-up must be submitted in relevant cover. Non-submission of this sheet and partial quoting will lead to rejection of the bid.

15. Deviations:

Bidders are not allowed to take any deviation from the principal requirements of the Techno-commercial Specifications. Any deviations, if taken by the Bidder shall run the risk of being the tender declared as non-responsive by the Owner.

16. Pre-bid Discussion:

Should there be any discrepancy or, any doubt or obscurity in the meaning of any of the clauses of the Bid Documents or, if there be any query of the intending Bidder, the Bidder shall set forth in writing such discrepancies, doubt, obscurity or queries and submit the same to WBPDC, as soon as possible but not later than three (3) days before the date fixed for pre-bid discussion. All such queries will be clarified during pre-bid discussion. The elucidation given in pre-bid discussion shall be final and binding on the bidder, whether present or not in the subject meeting.

Parties intending to alter or modify any stipulated terms & conditions, seeking some clarification etc. must attend the pre-bid discussion stipulated in the tender documents. No deviation / alteration will be accepted until and unless the same is discussed and in this pre-bid meeting and approved by competent higher authority afterwards. The changes, if any, will be uploaded as corrigendum. Any deviated offer is liable to be rejected if not approved in the pre-bid.

If any party does not attend the per-bid meeting, it will be assumed that they have accepted all terms and conditions of the NIT. It also should be emphasized that participation in this tender will be considered as acceptance of all NIT terms and conditions.

Any deviation/clarification from bidder's part shall be discussed only in the pre-bid meeting. Any bidder not attending the pre-bid meeting shall have to abide by the M.O.M./corrigendum of the pre-bid meeting if any. No further communication from any bidder shall be entertained after the stipulated pre-bid meeting. Modification, if any, as a result of pre-bid meeting will be uploaded in this portal.

17. Contract Period:

This rate contract shall remain valid for twelve (12) months with the provision of extension of further three (03) months at the same rates, terms and conditions.

18. Opening and Evaluation of Tender:

a) Opening of Technical Proposal:

- i. Technical proposals will be opened by **The Dy. Gen. Manager (M&C), BTPS** or his/her authorized representative electronically from the website stated in Clause 1 of Section: I, using their Digital Signature Certificate.
- ii. Technical proposals for those tenders whose original copies of DD/BC/BG towards EMD have been received physically will only be opened.
- iii. Interested bidders may remain present if they desire.
- iv. Technical Cover (Statutory Documents) would be opened first and if found in order, Cover for Non-statutory Documents will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.
- v. Decrypted (Transformed into readable formats) documents of the Non-statutory Cover will be downloaded, and handed over to the Tender Evaluation authority.

b) Uploading of Summary List of Technically Qualified Bidders:

- i. Pursuant to scrutiny and decision of the Technical Evaluation authority, the summary list of eligible bidders for which their Financial Proposals will be considered will be uploaded in the web portals.
- ii. While evaluation, the Committee may summon of the Bidders and seek clarification / information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated timeframe, their proposals will be liable for rejection.

c) Opening and evaluation of Financial Proposal:

- i. Financial proposals of the Bidders declared technically eligible by the Tender Evaluation authority will be opened electronically from the web portal on the prescribed date, normally after two working days after the date of publication

of final summary list of the Bidders.

- ii. The encrypted copies will be decrypted and the rates will be read out to the bidders, present at that time of bid opening.
- iii. After evaluation of Financial Proposal, by Tender Evaluation authority, the final summary result, name of bidder and the rates quoted by them against Servicing will be uploaded.
- iv. The Tender Accepting Authority may ask any of the Bidders to submit analysis to justify the rate quoted by that tenderer.

The Corporation does not bind itself to accept the lowest tender and reserves the right to accept or reject any or all tenders without assigning any reason whatsoever or to split the whole work entrusting the same to more than one contractor.

19. Bid Validity:

Bid shall remain open for acceptance by the Owner for a period of one hundred twenty (120) days from the last date of opening of the Bid. During this period the Bidder shall not withdraw or amend his Bid.

19.1 The quoted prices shall remain firm till completion of the contract.

19.2 Notwithstanding sub-clause 19.1 above, the Owner may obtain the Bidder's consent to extend the validity period of his Bid, as required. The request and response thereto shall be made in writing. A Bidder accepting the request will not be permitted to modify his Bid.

20. Acceptance of Tender:

Bidders must quote for item wise rate for all items as mentioned in BOQ sheet. Bids with Lowest valid rate should normally be accepted. However, the Tender Accepting Authority does not bind himself to do so and reserves the right to reject any or all the tenders, for valid reasons and also reserves the right to split the order, alter the quantity of any or all Bidders without assigning any reason whatsoever.

21. Rejection of Bid:

On submission of any Bid, the corresponding Bidder shall have no cause of action or claim against the Owner for rejection of his Bid. The Owner will always be at liberty to reject or accept any Bid at his sole discretion without assigning any reason and any such actions will not be called into question and the Bidder shall have no claim in this regard against the Owner.

22. Contract Price Basis:

- i) The Bidder shall quote price after going through the entire relevant document uploaded for this tender of BTPS, WBPDC.

ii) The contractor should quote rate at individual item wise rate for all items as given in the BOQ.

23. Paying Authority:

The Dy. General Manager (F&A), BTPS.

24. Controlling Officer:

The Dy. General Manager (FM), BTPS or his authorized representative.

25. Award of Contract:

The Bids received and accepted will be evaluated by WBPDCCL according to the procedure detailed in the relevant clauses of this section. The acceptance of Bid and award of contract to one or more than one Bidder, if considered necessary, rests with WBPDCCL. It shall not be obligatory on the part of WBPDCCL to accept the lowest Bid. WBPDCCL would be at liberty to accept any Bid, in whole or part and to reject any or all the Bids received without assigning any reason and no explanation can be demanded of him by any Bidder.

26. Correspondence:

All correspondences in regard to this Rate contract shall be made to the following address:

SECTION-III

GENERAL CONDITIONS

1. Application :

Unless otherwise expressly provided in the Bid Document, these General Conditions shall govern the Works.

2. Definition of Terms and Interpretation of Bid Doc :

2.1 Definition :

In construing these General Conditions, the following words shall have the meaning herein assigned to them except where the context otherwise requires.

1. **“The Service Contract”** means the documents forming the tenders and acceptance thereof together with the documents referred to therein including the conditions, specifications/Scope of Work, designs, drawings and instructions issued from time to time by the Purchaser/ Owner and all these documents taken together shall be deemed to form one contract and shall be complementary to one another.
2. **“The Contract Price”** for contract shall mean the agreed sum of total price stated in the Contract to be paid to the Contractor for the successful fulfillment of the Works to the satisfaction of the Purchaser in compliance with the stipulations of the Contract.
3. **“The Goods”** means all the equipment, machinery, and/or materials which the Supplier is required to supply to the Purchaser/Owner under the Contract.
4. **“Services”** shall mean furnishing of labour and services as per specifications and supervision thereto by experienced engineers including complete testing, commissioning and putting equipment into satisfactory operation including all related activities as defined in the contract document.

21. **“Temporary Works”** shall mean all temporary works of every kind required in or about the execution, completion or maintenance of the work.
22. **“The Specification or Specifications/Technical Specifications”** shall mean the Technical Specification of the Works and the Tender Drawings and schedules attached thereto and any modification made thereof.
23. **“Final Acceptance”** means the Purchaser’s acceptance of the supplied Equipment/Materials or Services rendered completed satisfactorily in every respect by the Contractor and on satisfactory fulfillment of all other contractual obligations of the Contract by the Contractor as on expiry of the Warranty Period.
24. **“Equipment/Stores/Materials”** shall mean and include equipment, stores & materials to be supplied by the vendor under the contract.
25. **“Warranty Period”** shall mean the period during which the Contractor shall remain liable for repair or replacement of any defective part of the Plant & Equipment supplied, Works done and services rendered under the Contract till Final Acceptance is affected.
26. **“Letter of Award (LOA)”** shall mean the Purchaser’s letter or notification to the successful bidder conveying his acceptance of the Tender and award of the specified job subject to such conditions as may have been stated therein.
27. **“Writing”** shall include any manuscript typed or hand written or printed statement, including facsimile transmission under or over signature or seal as the case may be.

28. **“Commissioning”** shall mean the successful operation of the Plant/equipment at its rated capacity after completion of all re-assembly, adjustments, trials and cleaning etc. done and have been completed as per specified time schedule.

2.2 Interpretation of Bid Document :

- a. Instructions to Bidders, General Conditions, Special Conditions, Technical Specifications, Forms & Attachment, Drawings and other documents forming part of the Bid Document wherever permissible or the context so requires.
- b. Notwithstanding the sub-division of the Bid Document into sections and Sub-section, every part of each shall be deemed to be supplementary to and complementary of each other.
- c. Wherever it is mentioned in the Bid that the Contractor shall perform certain work or provide certain facilities it is understood that the Contractor shall do so at his cost and the price shall be deemed to have included the cost of such performances and provisions so mentioned.

3. Scope of Work :

The scope of work, if not otherwise mentioned in the Contract Document, shall be on the basis of a single Contractor's responsibility, completely covering the entire requirement specified under the accompanying Specifications in Section-V. All Works shall be done as approved by the Owner.

4. Contract Price :

- 4.1 The Contract Price is the agreed sum of money stated in the Contract Documents to be paid to the Contractor for the successful completion of the Works in accordance with the terms of the Contract Documents. The Contract Price shall be firm for entire scope of the Work with the break-ups as specified in Instruction to Bidders and as per schedule of prices as per Attachment-7 of Section-VI.

The Contract Price shall remain “FIRM” till complete execution of the work covered under the Contract Documents save and except condition contained under clause 4.2. The Contractor shall not lodge any claim for anticipated profits, or for alleged losses.

4.2 Rate:

The Contract price shall remain firm throughout the contractual period.

4.3 GST

GST i.r.o Supply/Services will be paid extra as per rule against submission of supporting documents. SAC/HSN code as applicable to be submitted by the party.

5. Time: The Essence of Contract

Time is the most important aspect of the Contract. The assigned works shall be completed as per the schedule given by the Controlling Engineer for each of the respective jobs; The Contractor shall so organize his resources and perform so as to complete the Work not later than the aforesaid time.

6. Risk Purchase :

In case of failure to attend any assigned job on the part of contractor within a mutually agreed time, owner should be entitled to get such job done by engaging any other agency on account & risk of the Contractor and shall be charged as per Liquidated Damage (LD) clause No.9 of this section.

7. Performance Guarantee-cum-Security Deposit for Due Performance of the Contract :

The **EMD amount** of the successful Bidder shall be retained as “Initial Security Deposit”. In addition to that “**Security Deposit**” as Pro-rata deduction at the rate 10% of the running bill/ monthly invoice submitted shall be applicable for diligent and due fulfillment by the Contractor of all obligations under the terms and conditions of the Contract. Both “Initial Security Deposit” and pro-rata deducted “Security Deposit” amount shall be released at the end of Warranty Period as stipulated in Clause 2.1 of this Section and subject to compliances of all other statutory obligations as per the contract.

Pro-rata deduction at the rate 10% is also applicable as Security Deposit for any scheduled upward price variation of the contract on account of variation of scope/quantity/period.

The Security Deposit shall provide for payment there from of any claims and/or damages due to the Owner for failure of the Contractor to meet his obligations under the Contract.

The Performance Guarantee is, as stated by its terms, to be payable on demand of the Owner when anyone of the following conditions arises:

- a) The Contractor is in breach of the Contract and fails to remedy the breach within thirty (30) days after receiving a written notice from the Owner requiring him to do so. The notice shall state the intention to claim under the Performance Guarantee, or
- b) The Owner has obtained an award in arbitration and the amount awarded has not been paid within thirty (30) days after the award, or
- c) The Contractor has gone into liquidation or has been declared bankrupt, or
- d) Any other reason which may adversely affect the contractual obligations of the Contractor.

In every case the Owner shall, when making the claim, send a copy thereof to the Contractor.

Performance Guarantee is intended to secure the satisfactory performance by the Contractor of the entire Contract.

8. Terms of Payment :

Monthly bill in triplicate shall have to be submitted to the paying authority, duly certified by the Controlling officer for each month on the following month in respect of previous month of execution after satisfactory execution of works.

90% payment will be made against submission of monthly bill certified by the controlling officer against satisfactory performance of the job, and **balance 03% vide memorandum no. 796F(Y) dated 25/02/2022** will be kept as Security Deposit which will be released along with the Earnest Money deposited after completion of the work against satisfactory performance of the job. The contractor shall submit along with the monthly service bill, worker wise details of actual attendance, night shift, O.T., casual leave availed, holidays etc. in respect of each worker for the month as applicable. The party has to submit document certified by user department, of providing PPE to workers, along with bill.

8.1 Paying Authority :

All payment shall be made by Dy. General Manager (F&A), BTPS.

8.2 Due Dates for Payment & Paying authority :

The Owner will make progressive payments as and when the payments are due. Payments will become due and payable by the Owner within Forty (40) days from the date of receipt of the Contractor's bills/invoices duly certified by the Engineer/Controlling Officer provided the documents submitted are complete in all respects.

8.3 Payment Related Documents :

The following documents are required to be submitted by the Contractor to the HR&A Department at the time of releasing of their monthly bill / R.A. Bill / final Bill.

- i. Certificate from plant safety department on 'Statutory Safety Compliances during execution of the work' and 'proper cleaning-up of site after completion of work'.
- ii. Indemnity Bond to be furnished by the Contractor accepting responsibility of each and every action to be taken by their sub-contractor(s) in the matter of executing the contractual work.
- iii. Copy of Labour License issued by the Licensing Authority (Form VI) at the time of first Monthly /R.A. Bill and Final Bill.
- iv. Form XIII under the C.L. (R&A) Act 1970 and the Register of Adult workers under the Factories Act 1948.
- v. Acquaintance rolls for the relevant wage period (Form XVIII).
- vi. P.F. documents such as Form No.2(R), 5,10,3A,6A,9,12A,12A(R),13 and declaration under Para 22 and Para 36B of the EPS & EPF Scheme.

- vii. Documents related to payment of Retrench Benefits claims, if any.
- viii. Documents related to any other dues, if any.

8.4 In addition to above requirements, Indemnity Bond should also be obtained from the Contractors as required under Section 12 of the Workmen's Compensation Act. Prior to raise periodical / monthly claim bill, contractor shall submit three (3) copies of P.F. contribution deposition challans, copies of Form 12 A(R) duly received by P.F. authority and a statement showing individual contribution as per enclosed Format-I required under Para-36B of E.P.F. Scheme-1952, within 7th day of next month together with a list of workmen / employees in respect of whom P.F. contribution has been deposited for verification and certification by HR&A Department of owner towards releasing the claim bill.

8.5 Other Conditions :

Owner shall not be called upon to reimburse the cost of working capital financing by the Contractor in any form. Financing of the working capital requirement is the Contractor's responsibility and therefore no such concession will be allowed in any form including advance / adhoc payment requested by the Contractor.

9 Liquidated Damage (LD) :

Time is the essence of the contract; all Works under the contract shall be completed within a mutually agreed time. In the event of delay for the reasons attributable to the contractor, owner reserves the right to recover from the contractor, an amount as Liquidated Damage as per the followings.

- a) If any assigned job under the contract has been carried out by engaging other agency as per clause mentioned under 'Risk Purchase', double the cost of job incurred by WBPDCCL will be deducted from the monthly bill at the discretion of the controlling officer as Liquidated Damage.
- b) If the contractor fails to achieve/complete any assigned job within a mutually agreed time due to any reason on the part of Contractor, he shall be liable to pay liquidated damage at the rate half percent ($\frac{1}{2}\%$) of the total Contract Price per day for such delay or part thereof at the discretion of the controlling officer or his representative.
- c) Non-availability of service on part of the contractor due to absenteeism of his Manpower or any other reason, Controlling Officer or his representative at his discretion may deduct an amount equal to number of non-available service days multiplied by 1.10 times of daily basic wage of the absentees as per PF statement

submitted by the contractor to the owner in terms of the provision under para -36B of EPF & Misc. provision Act.

Within the contractual period, cumulative amount as liquidated damage shall not in any case exceed 10% (ten percent) of the total Contract Price. The Purchaser shall deduct the amount of such liquidated damage from any money due or which may become due to the Contractor under this Contract, and/or recover such liquidated damage from the Security Deposit of the Contractor.

10 Final Acceptance Certificate :

Upon successful completion of all the Services rendered under the contractual obligation and on completion of satisfactory Warranty Period, Owner shall issue to the Contractor Final acceptance certificate.

11 Warranty :

The Contractor shall provide a Warranty in respect of the Services rendered by him the following:

- a) All consumable materials supplied by him shall be new and in accordance with the Contract.
- b) All works done shall be in accordance with the contract documents and free from any defects and omissions.
- c) Plants/equipment on which services has been rendered shall perform satisfactorily.

The above Warranty shall be valid for a period of two (2) months for a period as decided by the controlling officer commencing from the date of 'Completion of Contractual Period' of the Contract/Work Order. This period of the Warranty shall be called the "Warranty Period". During this period, the Contractor's liability shall be limited to providing support service free of cost to attend any mal-functioning of any Plant/equipment on which services has been rendered during the contractual period.

12 Manpower of the Contractor:

Contractor shall mobilize his Manpower for execution of the assigned job as per the contract provision. Such Manpower/Employee of the contractor shall have no relationship whatsoever with the Owner under this contract. Owner's relationship with the contractor is on a Principal-to-Principal basis. Owner shall not be liable or responsible for any other obligations and/or liabilities of any kind vis-à-vis the concerned contractor and the employees of the contractor.

13 Sub-Contracting :

No sub-contractor can be engaged by the contractor for execution / carrying out full or any part of the job under the contract.

14 Force Majeure:

Force Majeure is herein defined as (1) any cause which is beyond the control of the Contractor or Purchaser, as the case may be (2) natural phenomena, including but not limited to floods, draughts, earthquakes and epidemics, (3) acts of any Government authority, Indian or foreign, including but not limited to war, quarantines, embargoes, licensing control or production or distribution restrictions, (4) accidents and disruptions, including but not limited to fires, explosions, (5) transportation delay due to force majeure or accident (6) strikes continuing for more than three (3) weeks and sabotage.

The Contractor shall not be liable for delay in performing his obligations resulting directly or indirectly from any force majeure cause as referred to and defined in paragraph above. Either party shall within seven (7) days from the occurrence of such a Force Majeure causes notify the other in writing of such cause. Delivery schedule/Work Schedule shall subject to as hereinafter provided be extended for a period equal to the time lost for such activity by reason of any such causes or at the option of the Owner the Contract may be cancelled. If the Owner is the canceling party, the question whether he shall pay any cancellation charges and if so the amount of such charges shall be decided by arbitrator as herein provided. If the Contractor is the canceling party, the Purchaser shall not be obliged to pay any cancellation charges. All the provisions of this Clause shall apply whether the disrupting cause is total or partial in its effect upon the ability of the Contractor to perform.

Performance to continue: Upon the occurrence of any circumstances of any Force Majeure, the Contractor shall endeavor to continue to perform his obligations under the Contract so far as reasonably practicable. The Contractor shall notify the Engineer of the steps he proposes to take including any reasonable alternative means for performance which is not prevented by Force Majeure. The Contractor shall not take any such steps unless directed so to do by the Engineer.

15 Confidentiality :

All information, data and drawings furnished/disclosed by the Owner to the Contractor will be treated by the Contractor and its agents, subcontractors and servants as confidential.

16 Indemnification of the Owner :

The Contractor shall indemnify the Owner of all liabilities incurred by the Owner due to any act or omission on the part of Contractor, its successor & assignee, or sub-contractor(s) and causes harm/damage to other works of the Owner or anybody rendering service to the Owner or is connected with the Owner's work in any manner whatsoever from all current & future liabilities that may arise out of this contract entered

into between the Contractor & the Owner. The Contractor shall necessarily indemnify the Owner in all these respects.

The indemnity under this clause shall include all costs, charges, expenses on account of any claims, demands, actions and proceedings against the Owner in respect of such injuries, loss or damage

17 Effective Date :

The Contract shall come into force from the date of issuance of 'Letter of Award'.

18 Insurance:

The Contractor at his cost shall arrange, secure and maintain all insurance as may be pertinent to the Works and obligatory in terms of law to protect his interest and interests of the Owner.

19 Settlement of Dispute :

Except as otherwise specifically provided in the Contract all disputes concerning questions of fact arising under the Contract shall be decided by the Purchaser subject to a written appeal by the Contractor to the Purchaser, whose decision shall be final to the parties hereto.

Any disputes or differences including those considered as such by only one of the parties arising out of or in connection with the Contract shall be to the extent possible settled amicably between the parties.

20 Arbitration :

If any dispute or differences of any kind whatsoever shall arise between the Owner and the Contractor, arising out of the Contract for the performance of the work whether during the progress of the Work or after its completion or whether before or after the termination, abandonment or breach of the Contract, shall be settled amicably. If, however, the parties are not able to resolve the disputes amicably, shall be settled by Arbitration under sole Arbitrator in accordance with the Rules of Arbitration of the Indian Council of Arbitration and the conciliation & Arbitration Act 1996 and the award in pursuance thereof shall be binding on the parties. The venue of arbitration shall be in Kolkata.

Performance of the Contract shall continue during arbitration proceeding unless the Purchaser shall order the suspension thereof or any part thereof and if any such suspension shall be added to the Contract Price. No payments due or payable by the Purchaser shall be withheld on account or a pending reference to arbitration.

21 Jurisdiction & Governing Laws :

The Contract shall be governed by Indian Laws. The court of Kolkata shall have the exclusive jurisdiction in all matters under the Contract.

SECTION-IV

SPECIAL CONDITIONS FOR SERVICES

1. General :

The following clauses shall supplement the conditions in the other Sections of this document and shall be applicable to the works at site.

2. Scope of Work :

All machinery & tools for rendering services under this Contract shall be arranged by the Contractor at his cost. The Contractor shall be responsible for replacement, free of cost to the Owner, of any goods damaged/lost/broken down in any point of operation due to any reason whatsoever while under the custody of the Contractor. The Contractor shall arrange for, at his cost, all consumables (except special grade Electrode) as required for execution of the service contract.

3. Insurance :

a) A Group Personal Accident Policy for engagement of Contractor Workers for a sum assurance of Rs.5.0 (five) lakh per head of each Worker of the agency is to be arranged by the agency while being awarded with Work Order. Annual premium amount whatever is to be borne by the agency for purchasing this accident policy will be reimbursed by the WBPDCCL.

b) In addition to the conditions stipulated in Section-III, the Contractor shall also arrange '**Comprehensive General Liability Insurance**'. Such Insurance shall protect the Contractor against all claims arising from injuries, disabilities, disease or death of members of public or damage to property of others due to any act or omission on the part of the Contractor, his agents, his employees, his representatives and sub-contractors from riots, strikes and civil commotion.

The hazards to be covered will pertain to all the works and areas where the Contractor, his sub-contractor(s), his agents(s) and his employee(s) have to perform work pursuant to the Contract.

4. Work at Site :

In the execution of the Work, no person other than the Contractor, or his duly appointed representative, sub-contractor(s) and workmen employed by him and his sub-contractor(s) shall be allowed to do work at the Site, except by the special permission, in writing, of the Engineer or his representative, but access to the Work at all times shall be accorded to the Engineer and representative of the owner. Accordingly, Contractor shall submit the complete list of all categories of workmen employed by him or by his sub-

contractor(s) to the HR department of the Owner after duly endorsed by Engineer or his representative for issuance of necessary Gate-Passes.

The Contractor shall at all times provide sufficient fencing, notice boards, lights and watchmen to protect and warn the public and guard the Site, for the safety and convenience of the public or others.

The Work, as it is carried out in the Owner's premises shall be carried out at such times (Duty/working Hours) as the Owner may approve and shall abide by the prevailing Rules & Regulations of the Owner's premises and so as not to interfere unnecessarily with the conduct of the Purchaser's business but the Purchaser shall give the Contractor all reasonable facilities for carrying out the Work.

No female labour shall be allowed during night/dark hours.

The Contractor shall not employ for the purpose of executing any work under the Contract any person who is below the age of eighteen (18) years and shall pay to each labourer, for the work done by such labourer, wages, not less than the wages paid for similar work in the neighborhood. The Engineer shall have the right to enquire into and decide any complaint alleging that the wages paid by the Contractor to any labourer for the work done by such labourer is less than the wages paid for similar work in the neighborhood, and to refuse giving permission for appointment of any labourer less than eighteen (18) years of age.

Contractor shall not enhance the wages of his workmen without prior concurrence of the Engineer or his representative.

The Contractor shall make regular and prompt payment of wages to the labourer engaged on the Work and in no case the payment shall be delayed by more than seven (7) days following the period for which the wages are due. If it is found that workers are not paid regularly, the Contract is liable to be rescinded. The Contractor shall comply strictly with the provision of the prevailing Labour Laws.

The Contractor shall submit one copy of monthly salary/wage sheet of his workmen to the Engineer or his representative.

Contractor shall make regular and prompt payment to his sub-contractors for the portion of job executed in compliance with the requirements of the specifications.

5. Contractor's Representative:

The Contractor shall employ the necessary competent representatives at the Site, whose name shall have previously been communicated in writing to the Engineer by the

Contractor to supervise the work under this contract. Representative shall be present at the Site during working hours, and any written orders or instructions which the Engineer or his duly authorized representative may give to such representative of the Contractor, shall be deemed to have been given to the Contractor.

The services of the Contractor's representative shall be made available for such period as the Engineer may require and they shall work at all reasonable times as may be necessary to complete the Work within the period specified in the Contract.

6. Engineer's Supervision :

All matters of dispute shall be referred to the Engineer and his decision shall be final. The scope of the duty of the Engineer shall include but not be limited to the following:

- a) Interpretation of all terms and Condition of the Contract Documents and specifications.
- b) Interpretation of all drawings, data etc.
- c) Witness or authorize his representative to witness tests and trial runs at site.
- d) Inspect, accept or reject any services performed by contractor.
- e) Issue certificate of acceptance and/or certificates for progressive payments and final payment.
- f) Review and suggest modifications and improvements in completion schedules.

The Engineer shall be at liberty to object to any representative(s) or person(s) employed by the Contractor in the execution of or otherwise of Work, who shall misconduct himself, or be found to be incompetent, or negligent, or undisciplined and the Contractor shall remove such person(s) so objected to, upon receipt from the Engineer of notice in writing requiring him to do so and shall provide in his place a competent representative(s) or person(s) at his expense.

7. Clean Up Work at Site:

7.1 During execution, the Contractor shall without any additional payment at all-time keep the working and storage areas used by him and/or his sub-contractor(s) free from accumulation of waste materials or rubbish. If these materials are not removed by the Contractor within forty-eight (48) hours, after being requested by the Engineer, these will be removed by others and the cost of the same will be back charged to the Contractor. Any inflammable materials shall be removed forthwith on request by the Purchaser.

On completion of work, the Contractor shall dismantle, remove or dispose of in a satisfactory manner all temporary structures, waste and debris and leave the premises in a condition satisfactory to the Purchaser.

7.2 In case those materials are not removed by the contractor within 48 (forty eight) hours after completion of assigned work, a caution letter will be issued by the plant safety

department to clean up the site within next two days. In case of non-compliance being observed beyond notice period i.e. 3rd day, penalty deduction of Rs.500.00 shall be imposed and also outside agency will be engaged for cleaning the site for which deduction @ 1.5 times the expenditure incurred for engagement of the outside agency for cleaning will be deducted from the bill/security deposit of the contractor in addition to imposing penalty amount.

Safety department is authorized to take such deduction order through controlling officer.

8. Co-Ordination with the Owner's Engineers:

The Contractor shall at all times work in co-ordination with the Owner's Engineers. In respect of observance of local rules, administrative matters, co-ordination with other contractor(s) and the like, the Contractor and his personnel shall work under the instruction of the Engineer.

9. Works and Services to be Provided by the Owner:

Unless otherwise agreed upon, the following works and services shall be provided by the Purchaser for carrying out the works under this contract.

a) Power Supply:

Electricity for execution of the service in reasonable quantity shall be provided free of charges at one (1) point within the nearest available location of work site.

b) Open storage space at the Site:

Open storage space required for storage of goods and machinery shall be provided by owner.

c) Overall watch and ward for the common outer boundary of the work site.

d) Medical Facilities:

The Owner's medical facilities available at Site will be extended in case of any exigencies for the on-duty working personnel of the Contractor, only if and when available.

The Contractor shall be fully responsible for any first aid and emergency medical treatment to his employees. Necessary arrangement for this purpose shall be made by him at his own cost. The Contractor shall abide by the provisions of Employees State Insurance Scheme (ESI), where applicable.

10. Works and Services to be Provided by the Contractor:

Unless otherwise agreed upon, the following works and services shall also be provided by the Contractor at his cost under the contract.

- a) Supply of all consumables required for the Work.
- b) Watch and ward to ensure security and safety of goods under his custody and equipment under services.
- c) All machinery, tools and tackles required for execution of work and also all machinery, tools and tackles for transportation of equipment/materials to actual place(s) of work.
- d) All ladders, platforms and temporary supports and facilities required for handling of equipment/materials at the Site.
- e) The Contractor shall deploy supervisory personnel as necessary for the work till successful completion and the Warranty period is expired.
- f) The Contractor shall deploy appropriate skilled, semi-skilled and un-skilled as workmen as required for the execution of the Work. Any worker found not adequately skilled or not suitable for any particular work, may be disallowed to perform by controlling officer.
- g) Cleaning up of the Site after completion of all works.

11. Statutory Safety Compliances to be maintained by the contractor :

11.1 The Contractor shall abide by the following safety rules prevailing within the premises of the owner and shall be vigilant enough to ensure such aspects as per the provisions of Factories Act, 1948 and other statutory provisions as applicable in respective Power Plant. Accordingly, contractor shall collect copies of prevailing safety rules from Safety Department of the plant.

- i. The Contractor shall take all safety precautions during execution of the work and the workmen shall use safety belts, tested gloves, masks, safety helmets (PPEs) and other devices as necessary for their safety. Contractor shall take entire responsibility to provide such PPEs to his workers. PPEs provided by the contractor for his workers shall be checked and get approved from the Safety Department of the Plant, prior to commencement of work at site.

In case of any departure in this regard, owner may issue such PPEs to contractor's workers for the interest of work and the necessary cost for those shall be deducted from the Contractor's bill. Safety department will issue such PPEs with prior intimation to controlling officer as well as to the contractor for necessary recovery of the cost.

- ii. Engineer or his representative or owner's Safety officer may at their discretion check & examine the condition of any of the machinery, tools & tackles, scaffolding etc. and if found unsatisfactory may temporarily suspend the work till corrective measure is being taken up by the contractor.
- iii. The contractor shall ensure periodic testing/examination of all equipment as well as safety of tools & tackles, used by them; as per provision of Factories Act and rules and

maintain up to date records at site for inspection by departmental Engineer/Safety Department on demand.

- iv. The contractor shall ensure medical checkup by qualified medical practitioners for its workers specially those who are working at hazardous areas before commencement of work. Such medical checkup shall be continued once in every year as per provision of the Factories Act, 1948 and W.B. Factories Rule. He shall maintain a Register in this regard. On demand, same may be produced before Safety Officer/Controlling officer.
 - v. In case of injury, contractor shall take the responsibility towards Hospitalization /Dispensary/First Aid Centre of the injured worker with intimation to Engineer or his representative or owner's Safety officer. Subsequently shall submit periodical progress report about the treatment till the injured worker is certified fit by Govt./Govt. Registered Doctor and the said fit certificate shall be submitted to Safety Department before resumption of work by the said injured worker.
 - vi. The contractor shall report about serious injury/fatality of his workers to local Police Station, D. M., Safety Department and O & M Department within two hours but written report shall have to be submitted in prescribed form to Safety Department, HR&A and O&M Department positively within 4(four) hours.
 - vii. The contractor must issue Identity Card (in Form 14 under the West Bengal Contract Labour (Regulations & Abolition) Rules, 1972) to each of his workmen. These should be properly displayed during working hours.
 - viii. The Contractor shall take at all times adequate steps against fire hazards and take approval of the Engineer for the same. The Purchaser shall be indemnified of any damage or loss occurred due to fire hazard to the Contractor.
- 11.2 Owner shall have the right to claim 1% of total contract price or Rs.1,000.00 per day whichever is higher subject to maximum of 5% of total work contract price for any nonconformity of the safety requirement as mentioned above, till corrective measure is being taken up by the contractor. Safety Department is authorized to take such deduction order through controlling officer.
- 11.3 In case any accident occurs due to willful violation / non-fulfillment of conditions of contract/safety rules in spite of caution letter being issued by Safety officer, contractor will be subjected to penal deduction of 5% of contract price or Rs.10,000.00 (Rupees Ten thousand only) whichever is higher. Such deduction shall be released only after obtaining clearance from Plant Safety Department.

12. Labour and Labour Laws:

12.1 Recruitment of Local Labour

Unskilled workers shall be engaged from the retrenched pool of the contract-workers available at owner's Plant (BTPS) as per standing rules and discretion of management. Preference may also be given for appointment of local labourers in semi-skilled and skilled categories, if such suitable labourers are available. Accordingly,

Necessary rules and regulations relating to Gate Pass may also be observed by the Contractor.

12.2 Labour Laws and Local Regulations:

The Contractor shall abide by the prevailing labour laws of the land and shall have to obtain a labour license from the appropriate authority as per the law at his cost and shall indemnify the Owner against any financial and other obligation in connection with labourers employed by him. Some of the important Labour Legislations are appended hereunder:

- i. Contract Labour Regulation and Abolition Act, 1970.
- ii. Payment of Wages Act, 1936.
- iii. Factories Act , 1948.
- iv. Employees' Provident Fund and Misc. Provision Act, 1952.
- v. Employees' State Insurance Act, 1948 / Employees Compensation Act, 1923.
- vi. Industrial Dispute Act,1947.
- vii. Minimum Wages Act,1948.
- viii. The Building & Other Construction workers (Regulation of Employment and Conditions of Service) Act, 1996 as may be applicable.

The Principal Employer's Certificate will be issued by owner for the purpose of obtaining Labour License from the concerned department under Contract Labour (Regulations & Abolition) Act, 1970 and rules framed thereunder, as may be applicable.

On obtaining the labour license, the Contractor at the appropriate time, shall submit a certified photocopy of the same to the Owner.

12.3 Wages and Working Hours and Conditions:

The Contractor shall pay wages and observe hours and conditions of work not less favorable than those established for the trade or industry in the district where the work is carried out and abide by Contract Labour Act 1970, Minimum Wage act, Factory Act 1948 including all amendments etc. and all other statutory provisions. Accordingly maintain all records as necessary as per the provision of the Contract.

12.4 Contractor to furnish return of labour employed :

The Contractor shall, if required by the Engineer, deliver to the Engineer or to his office a return in such form and at such intervals as the Engineer may prescribe, showing in

detail classes of labour employed and the number employed within each class by the Contractor from time to time on the Site.

The contractor shall maintain all records and submit all returns as required under the various statutes/Acts. Any penal action imposed by the Statutory authorities on account of violation of any provision of the applicable Acts/Statues will be handled /tackle by the contractor and the liability will be entirely borne by the contractor.

12.5 ESI & PF :

- a) The Contractor shall maintain his own 'Provident Fund (PF)' Account Number & 'ESI Code' Number (a sub-code, in case the main code obtained from any other District than the actual place of work of the contract) for depositing 'Provident Fund', 'ESI ' amounts which will be due against employments of all categories of worker by him under this contract.
- b) Further in connection with this contract, if any worker is previously having ESI or PF code registered under any other agency previously engaged in plant; same shall be reallocate in favour of the contractor. Such Departing/ previously engaged contractor shall extend necessary co-operation in this regard.
- c) Since very first day of employment of any worker under the contractor, shall immediately be eligible for membership of Provident Fund of the contractor's firm. It is statutory obligation of the contractor to deposit both contributions (Employer's & Employee's) of PF, EPF etc. on monthly basis with the E.P.F.O. within the prescribed time limit. While, employees' contribution is recoverable from the employees' wages for the corresponding month, employer's contribution and administrative charges etc. as applicable shall be paid by the contractor. A copy of the Membership details shall be sent to the Regional Provident Fund Commissioner with a copy to owner HR&A wing for information and records.
- d) All relevant records pertaining to deposit of P.F. Contribution etc. shall be made available at the contractor's site office for inspection by P.F. Inspector as well as by the owner HR&A Wing as and when required.

12.6 Wages Payment :

- a) Owner, being the Principal Employer, ensures the presence of his authorized representative(s) at the place and time of disbursement of wages by the contractor to its worker. Contractor shall always disburse the wages in the presence of such representative(s) of owner. Un-witnessed wage sheets shall not be considered for any claim by the contractor.
- b) Contractor shall strictly adhere to the Wage Payment Act in respect of wage payment/statutory deduction etc.
- c) Rate of Wages, wage period and date of disbursement etc. shall be suitably notified by the contractor for information of all concerned workers engaged by him. Owner's HR&A wing must be informed well in advance of such particulars, thus enabling the

department to witness the wage disbursement. Records of wages disbursed to the workmen must be submitted to HR&A Department; else subsequent payment/dues of the contractor will be withheld.

d) Inspection of records and registers under the various Labour Laws:

Contractor shall maintain pertinent records/ registers under various Labour Laws at his site office. Such records/registers shall be inspected time to time by the owner's HR&A Department as well as by authorized inspectors deputed by Govt. of West Bengal Labour Department.

e) Payment of monthly wages to the workers engaged by the contractor shall be made by the 10th of the following month through Bank and such disbursement of wages shall be done irrespective of payment of monthly bills by BTPS. Bidder has to ensure to disburse labour payment for at least two (02) months irrespective of receipt of payment from BTPS/WBPDCL.

12.7 The Contractor shall make his own arrangements for the engagement of all labour and provide on the Site in so far as the Contract otherwise provides, for the transport, housing, feeding and payment thereof. Owner's Canteen facilities shall not be extended for the workmen employed by Contractor.

12.8 No idle Labour-charges of the Contractor shall be borne by Owner.

12.9 Other Requirements:

a) The Contractor shall not, other than in accordance with the Statutes, Ordinances and Government Regulation or Orders currently in force, import, sell, give, barter or otherwise dispose of any alcoholic liquor, or drugs, or permit or suffer any such importation, sale, gift, barter or disposal by his sub-contractor(s), agents or employees.

b) The Contractor shall not give, barter or otherwise dispose of to any person or persons any arms or ammunition of any kind or permit the same as aforesaid.

c) The Contractor shall in all dealings with labour in his employment have a due regard for all recognized festivals, days of rest and religious or other customs.

d) In the event of any outbreak of illness of an epidemic nature, the Contractor shall comply with any regulations, orders and requirements as may be made by the Government, or the local municipal or sanitary authorities for the purpose of dealing with and overcoming the same.

e) The Contractor shall at all times take all reasonable precautions to prevent any unlawful, riotous or disorderly conduct by or amongst his employees.

f) Contractor shall not subcontract full on any part of the work without prior concurrence of Engineer or his representative.

g) The Contractor shall be responsible for observance by his sub-contractor(s) of the foregoing provisions.

- h) Any employee under the Payroll of the contractor, found entangled with any miscreant in damaging act against WBPDCCL vis-à-vis Public is liable to be prosecuted within the jurisdiction of Kolkata.
- i) Any employee under the Payroll of the contractor, found impeding the interest of the plant in any manner, owner reserves the right to take appropriate action and may issue notice against such accused worker of the contractor to leave the site within 24hours followed by suitable replacement.
- j) On expiry of contract or on termination of the contract, contractor shall vacate the owner's premises along with his men and materials.

13. Accident "In Course of" and "Out of Employment" :

The Contractor shall be solely responsible for any accident that may occur during duty hours and also for injury to any person for manage to property of any description whatsoever caused during duty hours. The contractor shall have to take necessary steps for providing Medical Assistant and Treatment. Owner shall in no way be held responsible to compensate the contractor's worker be it on duty or not. No benefit from WBPDCCL in any form shall be admissible in such cases.

14. Liability for Accident and Damage :

The Contractor shall, except if and so far as the Contract provides otherwise, indemnify the Purchaser against all losses and claims in respect of injuries or damage to any person or material or plant or physical damage to any property whatsoever which may arise out of or in consequence of the execution and maintenance of the Works and against all claims, proceedings, damages, costs, charges and expenses whatsoever in respect of or in relation thereto.

15. Absorption in WBPDCCL :

The casual contractual hiring services of the labours shall not in any way confer the right or claim for future absorption in WBPDCCL.

16. Protection and Care of Works :

16.1 The Contractor shall in connection with the Works provide and maintain at his own cost all temporary works, all lights, guards, fencing and watching when and where necessary or required by the Engineer or by any competent statutory or other authority for the protection of the Works. In addition, the Contractor shall take necessary measures to ensure smooth running of the other Units of owner's Plant.

16.2 From the commencement to the completion of the Works, the Contractor shall take full responsibility for the care of the Works and of all temporary works. If any damage, loss or injury happens to the Works or to any part thereof or to any temporary work from any

cause whatsoever (save and except the "Force Majeure" as defined earlier) the Contractor shall at his own cost repair and make good the same so that at completion the works shall be in good order and condition and in conformity in every respect with the requirements of the Contract Documents and the Engineer's written instructions. The Contractor shall also be liable for any damage to the Works caused by him in the course of any operations he carries out for the purpose of complying with his obligations under the Contract Documents.

17. Erection/Construction Tools, Tackles and Machinery :

17.1 Tools, Tackles and Machinery

The Contractor shall provide all machinery, tools, tackles etc. required for execution of the work under the contract. Detail list of such machinery, tools and tackles indicating their quantities, capacities and present conditions etc. shall be submitted prior to the commencement of Site work for Engineer's approval.

Contractor shall produce such list along with the machinery, tools, tackles etc. at the plant's security department at entry-gate for verification and subsequent endorsement by the department.

17.2 Purchaser's Property

All machinery, temporary works and materials provided by the Contractor when brought on to the Site shall immediately be deemed to be exclusively intended for the execution of the Work and the Contractor shall not remove the same or any part thereof without the consent in writing of the Engineer which shall not be unreasonably withheld.

17.3 Removal of Machinery, Temporary Works and Materials

Upon the removal of any such machinery, temporary works or materials with consent as aforesaid the same shall be deemed to revert in and become the property of the Contractor and upon completion of work. If the Contractor fails to remove any of the said machinery, temporary work or materials within such reasonable times after the completion of the work as may be allowed by the Engineer then the Purchaser may sell the same and shall after deduction from the proceeds the costs, changes and expansion of and in connection with such sale pay the balance (if any) to the Contractor.

17.4 Purchaser not Liable to Loss of or Damage to Machinery

The Purchaser will not at any time be liable for the loss of or damage to any of the said machinery, temporary work or materials as mentioned above.

18. Residential Accommodation :

As mentioned in Clause No.12.7 of this section, in general no residential accommodation for the contractor/contractor's worker shall be provided by owner. However, in connection with the present contract any worker found occupying residential accommodation allotted against his previous employer/contractor for similar type of contract; in such cases contractor shall take possession of the said accommodation from previous-holder (contractor). Accordingly, contractor shall bear necessary 'House Rent' and 'Electricity Charges' due from the date of acceptance of contract for the said accommodation. Departing/previously engaged contractor shall extend necessary co-operation in this regard.

19. Compliances of Pollution Control & Occupational Healthcare :

- a) The Contractor shall abide by the prevailing pollution control acts at site. Some of the important such acts are appended hereunder:
 - i. The Water (Prevention and Control of Pollution) Act, 1974;
 - ii. The Air (Prevention and Control of Pollution) Act, 1981;
 - iii. The Environment (Protection) Act, 1986;
 - iv. Manufacture, storage and Import of Hazardous Chemical Rules, 1989;
 - v. Hazardous Wastes (Management and Handling) Rules, 1989;
 - vi. The National Environmental Tribunal Act, 1995;
 - vii. Compliance with batteries (Management & Handling) Rules, 2001 as amended and rules and orders made there-under and all other Acts & Rules in connection with Pollution Control in the relevant work area.
- b) Contractor shall strictly comply with the Occupational Healthcare norms as stipulated under West Bengal Factories Rules, 1958/ The West Bengal Building & Other Construction workers (Regulation of Employment & Conditions of Service) Rules, 2005 and as applicable at the owner's premises and take all necessary measures towards ensuring the same for his workers.

20. Issuance of Security Gate Pass & Checking :

Contractor shall submit following information in respect of his workers who will be deployed under this contract, to the owner's HR&A department for verification and subsequent issuance of Gate-passes for his individual worker. Such Gate-pass shall be produced at the plant gate for security checking.

- i. Labour License Number
- ii. Company's ESI & P.F. Code No.
- iii. Individual P.F. A/c No. & ESI A/c No.
- iv. Photocopy of P.Tax return certificate.

The contractor shall arrange for issue of photo Gate pass/Identity Card for their employees and also bear the cost on account of issue/re-issue of the photo I-card. Entry of contract workers engaged by the contractor shall be allowed on production of I-card at the entry point and required to carry within the plant premises.

21. Hindrance Register:

One Hindrance register will be maintained by the utilizer department at site. The successful bidder/contractor has to provide necessary information & authenticate the same in presence of Engineer-in-charge of the utilizer department on day to day basis in the relevant column of the attached format (Annexure-B)
