NOTICE INVITING REQUEST FOR PROPOSAL (RFP)

JOB: Preparing Present Land Use Map through satellite Imagery Study and DGPS/Total Station survey along with detailed Topographical and Surface Feature Study required for operationalization of Deocha-Pachami-Dewanganj-Harisingha Coal Block of Bengal Birbhum Coalfield, Birbhum District, West Bengal.

Bengal Birbhum Coalfields Limited (BBCL) invites participation in the open tender from reputed agency/firms with relevant experience and technical and managerial competence in mining sector (as per qualification criteria) in undertaking Satellite Imagery Study along with DGPS/Total Station Survey for BBCL for development of Deocha-Pachami- Dewanganj-Harisingha Coal Block in Birbhum District , West Bengal.

The role of the selected bidder is to undertake entire job described under Clause 6, Scope of Work.

1. Collection of Tender Document:

Interested Agency/Firms will have to download the tender documents from the website: <http://www.bbcl.co.in> , <http://www.wbmdtc.com> , <http://www.wbpdcl.co.in> directly or can collect physically from the office of M/s BBCL.

2. Earnest Money Deposit (EMD):

- 2.1 The Demand Draft / Pay Order / Bank Guarantee towards Earnest Money Deposit(EMD) of Rs. 50,000 (Rupees Fifty Thousand only), valid for 12(twelve) months from the date of submission of bid.
- 2.2 The Earnest Money Deposit (EMD) of the unsuccessful bidders will be returned within 30 days of award of contract.
- 2.3 In case of Successful bidder, EMD will be retained as security deposit until successful completion of the work.
- 2.4 Earnest Money Deposit (EMD) will be forfeited if the bidder withdraws or modifies the bid during the bid validity period after opening or if the successful bidder does not accept the award of contract or submits false information in their bid in terms of Annexure-VI.

3. Status of the Block Development:

The geological and physical boundary of the blocks are already fixed but yet to demarcated on ground. Till now, 36 boreholes have been done by GSI, BCCL and more drilling will be required to be done.

Existing geological data indicates that the block has 4 coal seams upto a depth of 850 meters, with a basaltic capping of 135 meters (Rajmahal Formation), which has its own commercial value.

16. Evaluation of Financial Bids:

The date, time and venue of opening the Financial proposals to the qualified participants after completing the evaluation of the Technical proposals will be communicated. The Financial Bids of technically qualified bidders will be opened on the notified date and time and it is the responsibility of the bidder or his representative to be present during the process.

a) FINANCIAL PROPOSAL:

The lowest financial proposal (Fm) will be given a financial score (Sf) of 100 Marks. The financial score (Sf) of the financial proposal of the other bidders will be computed as per formula below :-

$Sf = 100 \times Fm/F$ in which Sf is the financial score, Fm is the lowest price and F is the price of the proposal under consideration.

It may be noted that the BBCL is not under any obligation to accept the lowest bidder and reserves the right to reject any or all the bids without assigning any reason whatsoever at its sole discretion.

b) Quality and Cost Based Selection (QCBS):

Proposal will be ranked according to their combined technical (St) and financial (Sf) scores.

The combined technical and financial score (denoted as "S") shall be computed as per the following formula, $S = 0.60St + 0.40Sf$ [St = Technical Score].

The successful firm would be the one achieving the highest combined technical and financial score (S).

In case of tie, the successful firm would be the one achieving the highest financial score (Sf), amongst the tied bidders.

17. One Bid per Bidder:

17.1 Each Bidder shall be allowed to submit only one Bid. A bidder either as a single bidder or as a partner of a consortium who submits more than one Bid will be disqualified.

17.2 The RFP/Bid is not transferable.

18. Bid Validity:

The required validity of the "Bid offer" is for a period of 180 days from bid submission due date. In exceptional circumstances, prior to expiry of the original time limit, BBCL may request the bidders to extend the period of validity for a specified additional period. The request and the bidder's responses shall be made in writing. A bidder agreeing to the request will not be required or permitted to modify his "Bid" but will be required to extend the bid validity and the validity of bid security for the additional period as requested.

19. Effective Date of Contract:

The date of issue of work order shall be the effective date of contract and time period for completion shall be counted from this date.
